

March 1, 2010

Dear Friend of AFAC,

It's Fein角度in time again! You can help us raise more money to feed families in need right here in Arlington, and be a part of the nation's largest grassroots effort to fight hunger, with a gift to AFAC now.

As you may know, the Fein角度in Foundation helps fight hunger by putting up a \$1 million challenge every spring. We'll get a share of that amount based on our portion of the total amount raised with this challenge. The more you give now, the more we'll get later! The enclosed letter explains the details. Your gift received at AFAC before April 30, 2010 qualifies for a match from the Fein角度in Foundation.

Please make your gift now. Last year, at AFAC we distributed over 2 million pounds of food directly to Arlington families. We will surely exceed that amount this year. Your help is very much needed, and with our extremely low overhead, you can be sure that your gift will be used to its utmost effectiveness.

Sincerely,

*Sue Covucci
AFAC Board Chair*

P.S. I hope we can count on you! The number of families turning to us for the basic help we provide has increased dramatically in the last year. We are now regularly serving over 1,200 families each week. One year ago, we were serving only about 1,000 families each week. Not only will your gift help us now, but the Fein角度in match will help us later this year. Thank you in advance for your gift to AFAC.
